### Register and exercise your right to vote

As a new citizen of the United States, you now have an opportunity to take part in helping form our state and nation's future. It's your obligation to exercise your new right to vote; but before you can vote, you must first register.

To register to vote, Nevada law requires that you:

3. Be a resident of Nevada of 30 days preceding any election
4. Cannot be convicted of certain felonies. (Ask your Registrar)
5. Cannot be declared by a court to be mentally incompetent

Registering simply requires that you fill out a voter registration application. You will need a photo identification and proof of residency in order to fill out the form, which may be found at:

- Nevada Department of Motor Vehicles
- County Clerk/Registrar of Voters' Office
- Any City Clerk's Office
- United States Post Offices
- Utility companies
- Political party offices
- Chambers of Commerce

Return your application via mail or in person at:

- Your County Clerk/Registrar of Voters' Office
- Your City Clerk's Office
- Nevada Department of Motor Vehicles

The only time you will need to submit another voter registration form is if you have changed your physical address, your name or your party affiliation.
